International remote chemical student scientific-practical conference

«CHEMISTRY: PRESENT AND FUTURE»

April 15, 2021, Kharkiv, Ukraine

Dear colleagues and students!

The Professional College of National University of Pharmacy invites students and teachers to take part in the International remote chemical scientific-practical conference «**Chemistry: present and future**», which will be held on **April 15, 2021** at: 61140 Kharkiv, st. O. Nevsky, 18; tel. (fax) +38(057) 737-22-88.

The purpose of the conference is to support students who are interested in research activities in the field of chemistry and modern chemical technologies, to promote the creative development of the individual.

Terms of participation in the conference

Form of participation: submission of abstracts, articles to the collection of scientific papers, as well as presentations or poster presentations for placement on the Web-page of the conference of the college website.

To participate in the conference it is necessary to send by e-mail to **April 1, 2021: knuph@ukr.net:**

- **application** for participation in the conference (application form is attached) and **to register** at <https://forms.gle/HnYb9k8qa2o1FnFn8>
- **article** (3-6 pages) or **abstracts** (1-2 pages) in electronic form in doc format, file name - author's last name: Ivanenko.doc; **presentation** of the report or **poster presentation** in pdf-format.

Proceedings of the conference will be posted on the Web-page of the conference on the website of the Professional College of NUPh. During the conference there is an opportunity to comment and discuss current issues. An electronic version of the collection of scientific papers can be downloaded from the site.

Certificates will be sent to conference participants by e-mail.

Technical requirements for the design of the article

1. Working language of the conference - Ukrainian, English, Russian.
2. A4 sheet format, text editor MS Word (extensions doc, docx). Orientation - book. Row spacing - 1.5 pt; paragraph - 1.25 cm. Margins on all sides - 2 cm. Font - Times New Roman - 14 pt. Pages are not numbered. Formulas are typed in the MS Equation 3.0 editor. Graphic materials are grouped and mounted to the text. No scanning. All alignments, transfers, formatting are done using the program's functionality.
3. Registration of materials:
 - UDC is placed on the first page at the top left;
 - the title is printed in the middle of the page in capital letters in bold;
 - author's first and last name - a new line in ordinary letters in bold;
 - educational institution - a new line in ordinary letters in bold;
 - city, country - a new line in ordinary bold letters.
4. Illustrative material should be highlighted in italics without quotation marks, reference to it - in parentheses. Use only quotation marks. The word "Table" and its number are placed on the right (printed in bold), and its title - in the center (bold). Number of tables, diagrams, figures - no more than 2.
5. For references to the source of citation use square brackets, eg: [5, p. 141].
6. Materials are printed in the author's edition. The author is responsible for the accuracy of facts, statistics and other information. The Editorial Board reserves the right to review, edit, shorten and reject abstracts or articles.
7. Materials that do not meet the design requirements will not be accepted for printing.
8. Abstracts and articles that will be submitted in violation of the deadlines or sent without prior completion of the electronic form, will be returned to the authors for

corrections. Corrected abstracts must be returned no later than one week after submission to the authors. Abstracts that have not been corrected will not be considered.

Sample of abstracts or articles:
